A.A. had become independent and separate from the Oxford Group in both New York and Ohio ... Bill understandably wanted to avoid being associated with anything controversial ... As we surveyed the wreck of that movement, early A.A. members resolved to keep our Society out of public controversy. Thus was laid the cornerstone for Tradition Ten: “Alcoholics Anonymous has no opinion on outside issues (i.e. Religion); hence the A.A. name ought never be drawn into public controversy.”
